

Flight For Life Base Manager

Flight For Life is the premier critical care transport system serving our communities by linking those with illness or injury to resources which provide the optimum in medical care and outcomes. Our Mission is to provide safe, high quality, customer-oriented and efficient medical transportation, with a commitment to education.

How You'll Make a Difference:

- You will actively support and promote the Vision, Mission, and Shared Values of Flight For Life through daily supervision of staff and management of base operations
- You will provide leadership and promote safety and excellence in transport medicine
- You will participate in recruitment, selection, orientation, and evaluation of Transport Nurses, Paramedics, and EMTs
- You will identify issues and provide recommendations for improvements
- You will ensure that inquiries, incidents, investigations, and quality improvement opportunities are identified, investigated, and resolved
- You will be a valued member of our leadership team

What It Will Take:

- You must be a graduate of an accredited school of nursing or an accredited EMT-Paramedic training program, and you must be licensed in your State of practice (WI and/or IL)
- You must have a minimum of three years of experience in a management or supervisory role managing a business unit and clinical staff

What We'd Love to See:

- Bachelor's and/or Master's degree in healthcare and/or business is preferred
- Minimum of three years of transport experience is preferred

Flight For Life was voted a **Top Workplace** by the Milwaukee Journal Sentinel in 2016, 2017 and 2018. We offer competitive compensation with a benefits package that is largely unmatched in the nation.
