

Southwest
—HEALTH—

With us, it's always personal

Our growing, thriving rural health system is seeking Paramedics for our very busy and well established organization in the energetic and diverse university town of Platteville, Wisconsin. Southwest Health is currently seeking a part-time (1- 24 hour shift per week) Paramedic to work from 6:00pm Saturday- 6:00pm Sunday. The Paramedic is responsible for providing pre-hospital emergency medical care at the appropriate level for those served by the Emergency Medical Services Program for Southwest Health. Performs medical care and provides assistance to staff as assigned within Southwest Health. All medical care performed is pursuant to the Wisconsin Department of Health Services (DHS) as outlined under, but not limited to the following: Wisconsin Administrative Code DHS 110, the prescribed medical guidelines outlined by the medical director, the current version of the Standards and Procedures of Practical Skills and the current Scope of Practice for EMT, AEMT or Paramedic.

With over 580 employees, Southwest Health operates a 25-bed hospital, several physician clinics, a 78-bed skilled nursing facility with 12 memory care beds, as well as a 10-bed geriatric psychiatry unit. Also newly added to the Southwest Health organization are a retail pharmacy, eye clinic, and ambulance services.

A full benefit package is available for any position 20 hours/week or greater. Along with working with a great team of staff the package includes health, dental and vision insurance that goes into effect the first of the month after completing 30 days of work. Life insurance and short term disability is also offered at no cost to the employee. Some of the other benefits include a retirement plan, paid vacation time, cell phone discount, flexible benefit plan and many more exciting benefits!

Applications available on-line at www.southwesthealth.org or submit resume with letter of interest to:
